Tom Millham all fired up!

As glow sticks blazed, symbolizing the lighting of our inner fire for service, Governor-designate Tom Millham said during the convention's Installation Dinner on Saturday night that we all have a steady, glowing, burning fire within us. Tom, a Kiwanian from the Tahoe Sierra club said, "We need your enthusiasm, your openness to new ideas, your willingness to work harder than ever, your resources, your youthful spirit. Let's work together as our passion burns for another amazing Kiwanis year."
