

Join us at the
2010 Honors Breakfast

Saturday, August 21, 2010

7:00 a.m. until 8:00 a.m. (Doors open at 6:45 a.m.)

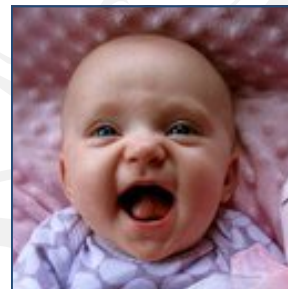

Reno Ball Room

(located across the street from the Silver Legacy Resort Casino)

Have you ever wondered what it takes to make a difference in the life of a child?

On December 2, 2009, Sara Jennings woke up in the middle of the night and immediately knew something was wrong. She was beginning to have pains that felt like contractions, yet she was barely 33 weeks pregnant. Less than five hours later, Emma Elizabeth Jennings was born at Renown Children's Hospital in Reno, NV. Please join us as the Jennings family shares their amazing story of Emma's arrival and learn how one hospital, and one very special partnership, made the difference in the life of one very special child.

The Honors Breakfast is open to all Kiwanians and their guests. Come join us as we honor recipients of the Kiwanis Cal-Nev-Ha Foundation's William A. Dunlap Fellowship, Tablet of Honor and Legacy Fellowship and hear first hand the amazing work being performed at Renown Children's Hospital.

Reservations may be made on the convention registration form which is available at www.cnhkiwanis.org (click on Conventions at the top of the home page, then District Convention). Please refer to the convention registration form for meal cost, complimentary tickets and registration due dates.

If you've purchased tickets for the Honors Breakfast, your tickets will be in your convention packet. For those arriving Friday, you may pick up your convention packet at the pre-registration desk, located in the Grande Exposition Hall, Pre-Function Salon of the Silver Legacy Resort Casino between the hours of 8:00 a.m. and 5:00 p.m. For those arriving Saturday morning, you may pick up your convention packet at the Honors Breakfast beginning at 6:45 a.m.

Questions? Please contact the Foundation office at (877) 597-1770, ext. 116; foundation@cnhkiwanis.org.

This event is made possible by the generous support of Merrill Lynch.
