**How your Kiwanis Doctor Program helped a Kiwanian and his family when tragedy struck.**

Division 38 Past Lt. Governor  
Russ Kiner, his wife Jaimee and  
their son Jon.

The evening of May 3, 2011 was a special day for Russ and Jaimee Kiner as it marked the four year anniversary of their very first date. As they were preparing dinner, the couple received a phone call that would forever change their lives. While riding his skateboard home, Jaimee's 17 year-old son PJ, better known to his friends as Jon, was struck by a pick-up truck traveling 45-50 miles per hour. The Kiners were given very few details about their son, just that he was being airlifted to Loma Linda University Children's Hospital - nearly 60 miles away from their home town. The Kiner's day of celebration quickly turned into moments of anxiety, fear, prayer and confusion.

The Honors Breakfast is open to all Kiwanians and their guests. Come join us as we honor all recipients of the Kiwanis Cal-Nev-Ha Foundation's William A. Dunlap Fellowship, Tablet of Honor and Legacy Fellowship and the Kiwanis International Foundation's George F. Hixson Fellowship, Tablet of Honor and Heritage Society and hear first hand the amazing work being

performed at Loma Linda University Children's Hospital.
