

# For Your Information . . .

## Information for International Convention Host Committee Volunteers

With the 2010 International Convention happening within our District in Las Vegas, Nevada, from June 24-27, the Convention's Host Committee has a need for volunteers. Kiwanis members from our District will receive a substantial discount on their registration if they volunteer as part of the Host Committee - **if they submit their registration by January 31**. The host volunteer rate is \$100 vs. \$250 after January 31st.

There is a minimum of 4 hours that volunteers will be asked to commit to in order to receive the discount. Depending on how many people actually volunteer, the Host Committee expects volunteers may only be asked to perform one 4-hour shift.

Kiwanian Karen Gibbs is the Chairman for this committee. At some point after people register for the convention, Kiwanis International will forward volunteers' names and contact information to Karen, who will have her committee contact each volunteer to communicate convention information and assign volunteers to specific tasks.

The registration form has no spot to put what volunteer assignments you are interested in or what your specific talents/interests are - so Karen and her committee will determine this eventually - after they've made contact with the registrants. If you have specific questions of the Host Committee, you may email Karen Gibbs at [HostCommittee@embarqmail.com](mailto:HostCommittee@embarqmail.com).
